

Technical Information

Koba batteries are engineered to go the distance, delivering an extended service life with dependable starting power in modern vehicles.

The Koba KB30H-900 is a Group 30H maintenance free battery with a bottom hold down ledge. It is designed for automotive and commercial starting applications. This high-quality battery uses X-Frame technology to ensure the positive grids efficiently deliver high current starting power while minimising grid growth over the life of the battery.

Features & Benefits

- X-Frame Technology delivers reliable starting power
- Extended service life
- Double lid with flame arrestor
- Built in hydrometer
- Low self discharge
- Low resistance envelope separators

Applications

- Automotive
- 4x4 & Commercial
- Farming & Agricultural

Technical Specifications

Battery Type	Calcium Maintenance Free	Case Material / Colour	Polypropylene / Black
Voltage	12V	Lid Type	Maintenance Free
Capacity (20Hr)	100Ah	Grid Type	Stamped Positive & Expanded Negative grids
CCA (-18°C, SAE)	830A	Separator Type	Low resistance PE
Reserve Capacity (25A, SAE)	182 minutes	Assembly Layout	LHP [+ -]
		Terminal Type	SAE Std.
Overall Size (LxWxH)	325 x 172 x 220mm	Case Size	BCI Grp 30H
Nominal Weight	22.8kg	Ledges	B1 - Long Side
